SEASON SUMMARY: **Inaugural year.** The inaugural cross country program for Kohler was one of perspective. Athletes had never competed in cross country so there was no experience or expectations, just the unknown. Many of the athletes had never run distance and by the end of the season most were competing on a high level. The boys placed in the top 6 in all of their contests while the girls finished near the bottom simply because they only had 5 competitors and, at times, they ran as an incomplete team. The boys finished 3rd in the conference finishing behind state ranked teams of Cedar Grove and Manitowoc Lutheran but beating a state ranked team of Sheboygan Lutheran. The girls finished 9th out of 9 complete teams in the conference. It was a learning, fun and competitive season.

Highlights: It was an exciting time for change in the KLC program. The program was under new leadership and also added a few new coaching faces as well. The energy and excitement was very visible. KLC earned a 3rd consecutive WIAA playoff appearance. KLC was able to accomplish a first in the program history and that was securing a victory versus Ozaukee. A lot of players earned All Conference recognition along with Levi Modal earning All Region Honors. Sean Farrell earned Academic All State Honors as well. Looking forward to next year and playing the first football game on the new field.

Highlights: **Big East Conference Champions!** **WIAA Regional & Sectional Champions** **STATE qualifier** - Lost in semi-final to Sturgeon Bay 0-1. The 2017 Kohler High School Boys Soccer season was one of the best in the program's history. We compiled an undefeated 22-0-1 overall record, and 11-0-0 in conference play. We won 5 trophies throughout the season as champions of the Sheboygan South Redwing Invitational, Green Bay East Invitation, Big East Conference, WIAA Regional, and WIAA Sectional. Seven players were awarded All Conference honors and Captain Ben Herold was named Big East Conference Player of the Year and earned All-State honors. Equally important, we continued to build for the future by fielding a highly competitive JV team in a robust 20 game schedule. Playing against many larger schools and multiple Varsity teams the JV team produced a solid 10-7-3 record.

SEASON SUMMARY

Swimming is a little unusual in that we do not compete head to head against most teams. We typically compete in triangulars or invites, so there is not a conference standings or conference record.

Highlights: KLF had a great season. Our numbers allowed us to compete at both the Varsity and Junior Varsity level. We participated in 1 non-conference meet, 6 Invitationals and 4 Conference meets. We won our non-conference home meet against Port Washington. Of our Conference triangular meets we lost only to Plymouth by 9 points, Beating Berlin, Chilton, Kiel and Two Rivers. At Invitationals we finished; 4/9, 6/7, 6/10, 8/9 and 13/18. The season ended with taking second at sectionals. Plymouth was able to pull out the win with the last events beating us by 2 points. Sectionals placed us 5th out of 13 teams and qualifying 1 swimmer for state. Kara Friske quantified 14th in the 100 Backstroke and improved to 13th place after her swim to end our season. Elizabeth Burhholz will be hired next year to take over the program with Jessica Ott serving as the assistant.

Highlights:

Fantastic season on all levels as we pulled the best 2 freshman up to JV which left the JV2 guys with a bit less talent. A lot of growth for all of the players on the team both on an individual level and team level. Ben Maki 1,336 points (6th all-time) and Sean Farrell 1,034 points (16th all-time) eclipse 1000 points. 2017 Coach Kamy Memorial Classic Champions. Overall record is best since 1993. Established that record while having 5 games vs teams ranked in the Top 10 in the state in their division during the season. **2018 Big East Conference Tourney champions**. Advanced to D4 regional final. Looking forward to next season as we have 5 quality players returning from this years team and many other players coming up from a very good JV team.

SEASON SUMMARY & HIGHLIGHTS:

Hired new and enthusiastic coach who has aspirations of turning the program around. This was the last season of WIAA Summer ball. Next year all Wisconsin schools will play Spring ball. This years group was young and inexperienced but competed in many games. They had a respectable season as they were in every game they played. Had their first win at home as a co-op with Christian. Looking forward to building this team through youth development.
