<b>Conference Record:</b>	<b>0-8</b>	4-4	4-4	6-2	2-3
<b>Junior Varsity:</b>	<b>2-2-1</b>				

#### **Highlights:**

The 2018 football season was filled with ups and downs as a program. We had sixteen freshmen come out for the program along with our 12 seniors. Unfortunately, we only had 2 sophomores and 3 juniors. Our junior varsity season consisted of five games and the final record was 2-2-1. We are excited that we were able to get five JV games in because a fair majority of our JV team had to see playing time during the varsity games on Friday night. The future looks very bright for KLC football with the success of the JV team and the experience these young athletes were able to receive.

During the Varsity season we were in many close games but were unable to pull out a victory. With a multitude of injuries to our experienced players we had to ask the JV players to fill the roles on varsity. Our last game against Mishicot we had to start seven freshmen. We improved greatly throughout the season and learned to become better young people. These players gained life experience in enduring the many setbacks we as a program sustained. The players learned what it meant to stick together through adversity and to push on in life by believing and sticking together.

**SEASON SUMMARY**

Swimming is a little unusual in that we do not compete head to head against most teams. We typically compete in triangulars or invites, so there is not a running conference standings or conference record as the conference champion is determined at the Conference Invite at the end of the season.

**Highlights:**

The 2018 Swim & Dive season was very successful for the team. This was the first season that diving was added to the team. We welcomed four girls to this team with an amazing new coach. By the end of the season the girls has accomplished best times in their races, placed 2nd in conference, 4th in sectionals, and qualified two events for state. Coach Elizabeth was a first-year head coach for KLF, and with her knowledge and experience she created workouts rigorous enough to set the girls up for success. The girls should have successful seasons with the addition of Elizabeth and the incredible work ethic of the girls on the team.

**Highlights:**

The Blue Bombers finished the season with a sparkling overall record of 18-6 including a 10-3 record in this year's tough Big East conference. The season was full of highlights for the Blue Bombers including capturing the Coach Kamy Extravaganza championship. Wins over Two Rivers and Campbellsport propelled the Bombers to the championship. One of the most impressive characteristics about this year's team was the fact that they grew throughout the season and got better as time went on. The boys season ended in a Regional Semi-Final loss to Winnebago Lutheran in the second round of the WIAA state playoffs. The 18-6 season by the Bombers should set the stage for a big 2019-2020 campaign, which will be highlighted with the return of 9 of 12 players from this year's squad. We look forward to building off this year's success in pursuit of our goal of competing for a Big East Championship and a deep run during state playoff time.

**SEASON SUMMARY & HIGHLIGHTS:**

The 2019 Baseball team transitioned to a spring sport which allowed for the program to gain exposure amongst the school and community. Overall the team won 4 games total which was an improvement from the last few seasons in the win column. An important part to the 2019 team is the young core of players that were able to learn, grow and develop at the Varsity level. This young core is the future of K/C baseball and the experience they were able to gain from the 2019 season will help benefit them as individuals and the team moving forward. Overall, this year's team worked hard on playing as a team and for one another, while learning new skills and fundamentals taught by the coaching staff. We look forward to building on the progress made in 2019 and can't wait for Spring of 2020.

**Highlights:**

This season had a total of 20 boys out for tennis. Our conference lost Waupun this season due to low numbers. That left the EWC with a total of 8 teams. The weather again was an issue for most of the season. The indoor courts at Sports Core saved many days of practice. Our preseason goals were to win the conference with an undefeated record which we did for the 5th year in a row. We had 5 flights of 1st Team All-Conference honors and 2 flights of 2nd Team All-Conference. We sent 4 players to WIAA Individual State. We ended up finishing 3rd in the Sectional behind Notre Dame & Xavier. During the season the Bombers were ranked as high as 4th in the State. Joe Conklin & Leo Fink were nominated for the Northeast Wisconsin Sports Award in Tennis.

**Highlights:**

The girls' and boys' track team had a very successful season. Low numbers for the girls made it difficult to win meets or score a lot of points. The best part of the season was watching the girls from Kohler and Sheboygan Christian bond and become the epitome of a team family. There were moments of great success with one special and record breaking moment when Shannon O'Leary breaking the school 3200m run that had been in existence since 1979.

The boys season was marked by success in the win column. The boys teams went 66 - 1 for the season winning the Glenn Funk Invitational, the Big East Conference relays, JV conference meet and finally the Big East Conference meet. They lost the Vanderpan invitational by 1.5 points to Plymouth. The season ended on a fabulous note as they finished 3rd overall in the WIAA Regional which was very competitive. Max Holmes competed at the LaCrosse WIAA state meet in the 1600 and placed 8th but broke the school record by more than 3 seconds running 4:27.4. Another school record was broken in the 4 x 100 relay by the members: David Benishek, Jin Tateiri, Eli Nugent, and Navjeet Gill.
