Dear Parent or Guardian:

Medications should be administered to students by their parents/guardians at home whenever possible. In the event this is not possible, proper written consent must be given to designated Kohler Kare personnel to administer medication.

For Nonprescription Medications:
Parent/Guardian written authorization is required.

For Prescription Medications:
Parent/Guardian written authorization and Practitioner written authorization is required.

No medication will be administered by Kohler Kare personnel or its agents until the consent forms are completed and on file with the day care. Medication authorization and administration forms will be kept and stored confidentially as required under Wis. Stat. 118.29(4).

All medication must be in the original container labeled with the student's name, dosage, time, and quantity to be given. All prescription medication must be in the original container labeled from the pharmacy. All medication will be kept in a securely locked cabinet or storage area only accessible to those who have been given the authority to administer medications to students.

Parents are responsible for bringing medication to Kohler Kare and picking up unused medication within 10 days after the medication is discontinued. Students are not allowed to transport their medication from day care. Kohler Kare personnel who administer medications to students will have been provided orientation and training. By law, day care personnel may not cut tablets. If your child needs to receive half a tablet, have this done at home or by the pharmacy filling the prescription. Current day care policy does not allow non-FDA approved drugs (herbal medication) to be administered at school.

Students who self-administer medication still need to have a medication authorization form on file at day care. It is recommended that students carry no more than one-week medication supply.
Sheboygan County Medication Authorization Form

Note: Each medication requires a separate form

School: ___________________________  Grade: ________  Teacher/HR: ____________

Medication: ________________________  Dose: ____________________________

Route/Mode of Administration: ________________  Frequency: ____________  Duration: ____________

(Not to exceed current school year)

Times to be Given: ________________________  Start Date: ________________________  Stop Date: ________________________

Potential Adverse Reactions: _________________

If PRN (as needed), state conditions under which school personnel should administer medication (i.e. headache, fever, pain, cough, etc.): ____________________________

Student may _________ or may not _________ carry and/or self-administer medications at school.

I hereby give permission for personnel designated by Kohler Kare to give this medication to my child according to the directions stated. I also authorize Kohler Kare personnel designated in medication administrated to contact my child’s practitioner or me if there is a question regarding medication administration. I agree to notify Kohler Kare when the drug is to be discontinued and/or the dosage or time changed. I understand that if the medication is resumed, a new Medication Authorization Form is required. I understand that any unused medication will be properly disposed of within 10 days if not claimed after discontinuation of the medication. No medication will be sent home with student only parents. I agree to hold Kohler Kare its employees and agents, excluding health care professionals, who are acting within the scope of their duties, harmless in any and all claims arising from the administration of this medication at day care.
